2. Revocation of Affiliate Status

Your affiliate application and status in the program may be suspended or terminated for any of the following reasons:

- a. Inappropriate advertisements (False claims, misleading hyperlinks)
- b. Spamming (mass email, mass newsgroup posting, etc...)

3. Affiliate Links

You may use graphic and text links both on your website and in emails. The site may also be advertised "offline" in classified ads, magazines, and newspapers. You may only use the graphics and text provided to you by us.

4. Affiliate Tracking

When a web surfer clicks through your affiliate link, a cookie is set in their browser that contains your affiliate username. Also, their IP address is tracked in the database along with your affiliate name. When this person decides to buy a product, the script will look for this cookie and/or try to match their IP address to identify the affiliate who will be awarded the commission. Visitors sent through your affiliate link may make a purchase later in time and the commission will still be awarded if the cookie is present in their browser and/or they are using the same IP address as the one logged in the database.

5. Terms of the agreement

These terms will begin upon your signup with the affiliate program and will end when your affiliate account is terminated. The terms of this agreement may be modified by us at any time without notice, including commission amounts. If any modification to the terms is unacceptable to you, your only choice is to terminate your affiliate account. Your continuing participation in the program will constitute your acceptance of any change.

6. Liability

We will not be liable for indirect or accidental damages (loss of revenue, commissions) due to affiliate tracking failures, loss of database files, and any results of "intents of harm" to the program or our website. We do not make any expressed or implied warranties with respect to the affiliate program and/or products sold at this site.
